

All Things Kids Consignment Process

- To make an appointment, give us a call at (217) 359-5300, message us on Facebook or Instagram, or email us at Allthingskidsinc@gmail.com.
 - Our appointment times are very flexible, and we can almost always fit you in on whatever day you would like to bring in your items!
- We can look through up to 30 clothing items per month. Non-clothing items are unlimited.
 - We ask that items are brought freshly laundered, and in a box/bin, rather than trash bags. It is easier for us to look through, and also prevents wrinkles so your items are more likely to sell. You will get your container back after we look through your items.
- There is a \$2 consignment fee that automatically comes out of all active accounts at the end of each month.
 - This fee is taken to cover costs of materials we use to process your items (tape, baggies, etc.)
 - IF there are months where your account made less than \$2, we will adjust the account and credit back those fees. You will never owe us money out of pocket for consignment.
- After each item sells, 50% of the selling price will go into your consignor account.
- Your items will be on our sales floor for 6 months, after that they become property of All Things Kids and will be donated at our discretion.
(Large/expensive items, we will call first to see if you want back)
 - Seasonal items will always go through their respective season before being pulled.
